The first event of World Heritage UK's events in 2020 will take place on Wednesday 29th April 2020 in The Marlborough Room at the magnificent Blenheim Palace UNESCO World Heritage Site at Woodstock in Oxfordshire.

It will be a one-day meeting with the title 'Restoration of World Heritage – repairs and how to fund them'. This is an area of work that the Blenheim Palace team have particular expertise in and are willing to share with participants, along with other contributors.

There will be in the region of £7-8 million worth of repairs underway at the time of the meeting, including dredging the lakes designed by Capability Brown, so plenty of opportunities to experience these with expert guidance, both inside the palace and in the extensive grounds.

Tickets priced at just £75 plus booking fee. Please register [HERE](#)
